**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose my ISP based on access to local, personalized technical support. I very much do not want the communications giants to eliminate less monopolistic providers such as the one I use. Please preserve my ISP's access to publicly funded telephone networks. Allow open competition among Internet Service Providers today and tomorrow for all of us.
